Good Monday Morning,

May the Spirit of the Gospel and the Holy Word be Always on our Tongues, in our Hearts, Minds, and in our Hands.

Holy Virgin Mary and All Saints - Pray for us!

Index Number 2106:

This morning I almost slept and extra hour but decided against it – Service to do and I had little of what is below from last night .. two regular Sunday night shows are missing, Matt and Blonde is likely because Matt's baby being born or similar and Viva and Barnes because the video they have is Satan Talmud-Sickening slimy evil connected – more then usual – and I go tired or hoping their lying, misdirection, mind-raping, Female-Evil Sick vomit would stop and they would go into the LawFare, Pay-to-Play Talmud-Sickened Filled Satanic Western Society genocidal destroying courts and politics .. so too many times I imagined their older women in families burning to death screaming as Witches while they watched, and then hanged or brain-blow out or hacked to death .. as they excuse and support the genocide war-crimes of their Satanic Masters in the State connected from Hell – israel. Of course all the lies of calls to genocide of Jews while Jews are openly murdering and genociding .. why such people not hacked to death by those around them is an example of the baby-murdering-okay mind-broken mind-raped Female-Evil generation of horror crib and mother womanhood and Institutions mutilations and abuse and punishment of us.

—

Anyway .. some more things to consider.

-

May this be a Blessing to you and us all. [And all our Futures, and future Multiverse Pasts.]

Some religious related information which is more generic and unfocused on the evils today and recently., ..

The changing of the subject from open war-crimes and genocide – yet the Talmud-Sickened Golden-Calf Venture-Capital Satanic Witch owners and directors of Institutions; media, education, gov, big-tech, .. all pointing to the false-witness non-existent calls of genocide of Jews while Jews and Zionist in Satan's Nation on Earth are openly murdering and genociding .. 'The Jew Cries-out accusing us of murder while openly murdering.' like fake Holocaust (5.7 millions of undead used to destroy us and West) after murdering 10+ Millions of white Christians in Ukraine in the Holodomor. ..

.. it might be getting harder not to start hanging powerful Jews - and their enslaved elite minions - the longer this Hell-on-Earth continues to expand .. hanging them, Zionist, and older women with a life-time of murdering babies and crushing the testicles of white Christian virtue-based raised men and boys such Demonic F-ing cnts targeted and destroyed (most often from crib)

The Question hangs again in the air Before God - is there an older Western women whom is not filled with Satanic Talmud-Sickening Septic Female-Evil, and Just if dead long ago at menopause?

Vivi and Barnes filled their Sunday night show with such vile lies and misdirection .. reminding me of the king and duke conman in '[Adventures of Huckleberry Finn](https://archive.is/DhCUs)' (archived: <https://archive.is/DhCUs>) book by '[Mark Twain](https://archive.is/onDGo)' (archived: <https://archive.is/onDGo>) whom Justly should have been Tarred-and-feathered and then Jailed for attempted theft and comparingly minor crimes, but instead we see Zionist excusers whom clearly Just their brains blown-out after watching their mothers and older women Burned to Death as Witches for Cursing us with such Slimy Satanic minions.

You read that book in school or did the festering mind-raping vile Witch teachers protected you from the book with the word 'nigger' in it? And how many teachers and administrators it Just to Tar-and-feather and run out of local towns or school districts.

Good conversation in this video on a number of other subjects., ..

I have not watched this (yet) – I have trouble watching these without imagining the burning as Witches of the false accusers, entire courts, law-makers, and all the older women in their families – I am at the point where I think blowing the brains out of all women who claim rape or sexual issues with men, along with the older women in their family is best .. and let society sex segregate and chaperon as a result – and if you actively disagree – grave for you and all the older women in your family.

Ripping tongues out of women might be Mercy, I suppose, instead of killing., ..

So much Global Warning that their private Jets are frozen to the ground in countries where heating oil and other methods have become impossible for many poor and regular people – planned Genocide of white Christians by Talmud-Sickened Witch enslaved elites .. too freeze to death, increase Poverty to entire country – where migrants will get extra gov help and the rest can die.

Elites and powerful actively purposely making the world so cold with spraying in atmosphere and other insane secrete steps – so cold and then cutting off oil – to further genocide .. and why would you be surprised with your support of their torturing babies to death pushing – on average 60 per day in every State and similar sized Western regions .. and open genocide in Palestine .. and you are okay with it, so why not more insanity and Satanic evil .. when mothers are murdering our babies and you okay with it – what level of F-ing twisted mind-broken cnt like you of evil-supporting and confused are you.

Best you not talk, perhaps, before someone notices that you and all older women in your family Gone - in grave for example - would be safest for us all.

Funny how the misconstrued this – the f-ing lying cnts – by limiting the values in matrix to 0 or 1 (-1?) .. as if pretending some car is so much faster pulling a trailer .. and then you find they removed the trailer weight and leaving only the frame and wheels ..

But still some interesting math and related in here., ..

Hey, don't look now, but 2024 will be the 35th ANNIVERSARY of the "Global Warming boogeyman is going to kill us all in 10 years" hoax. Yup, the climate hoax is older than Greta Thunberg! 35 years of repeating the same lie, and nobody catches on. "The country dominated by a woman is to be despised. And so to be despised is the being who becomes dominated by the power of a woman." (Jataka 13)

Women are insatiable in respect of two things: sex and motherhood; so insatiable that they cannot free themselves from these cravings before death. (Angutt, 2.6.10)

"Seducers and astute, they destroy the noble life." (Jataka 263)

"Women are continually in the power of the senses. Saturated with an impure and inexorable burning, they resemble fire which consumes all." (Jataka 61)

SHAME ON YOU: Last year Gettysburg College came under severe criticism after their blatant anti-White discrimination on campus was exposed.

One young White male student was abused so badly by his professor, being called "generic" and "worthless" that he slipped into a severe depression. The professor ended up on paid leave (not immediately fired). Gettysburg College then took it a step further, and stripped the young White male student of his college scholarship.

The Gettysburg College Parents called Senator Doug Mastriano's office begging for him to intervene and he did NOTHING to help these young White male students when they needed him.

BUT a year later, when it came to UPenn's anti-semitism, Mastriano didn't hesitate. He stepped up and led the charge to have UPenn's President punished and removed. He came out so hard that he made national headlines.

When the Gettysburg College parents saw this, they reached out to Mastriano's office to ask "where were you when we needed you?"

To which Mastriano's office responded that the Jews have a longer history of being persecuted, and that they are "monitoring the situation"

The only way we can get our elected officials to step up and speak out against the anti-White persecution happening on college campuses is if we call them out for it and make it as painful for them as the Jews do to their alleged oppressors.

Mastriano should be ashamed of himself for being such a coward.

Exited just as fast as monkeypox.

Made this rocking chair in '97 wood shop class when I was 14. Had no idea why I've kept it for 24 years. 38 now and I have finally realized it belongs to my son. Might be a dumb post, sorry, but his face makes all those years worth it.
