Mike E needs to move his mike away from his abdomen and aim it in the clear vicinity of his intelligent mind and mouth.

Very muffled..

Anyway.. thank you guys for an amazing program and site. Best!

This is addressed to Dr Jones. who was dismissing my views about a possible Tectonic erathquake weapon almost implying that it is not a possibility- How doe she know that?? Does he know just what HAARPS technology can do and that both Israel and the USA have access to this evil technology. You think your country would never do such a thing?? and Why Syria- because for USSRAEL, they were 'killing two birds with one stone,- punish Turkey for challenging America and throw in Syria for good measure as it shared the same teutonic Plate!! My gut and suspicions tell me THEY did do this though of course we can not prove it unless in later years we have a whistleblower or documents released. But please do not dismiss it jsut like that because it doe not fit into the remit of your own anlayses.

Secondly, I agree with Dr Jones re Iran and their brand of Shia which is not true Islam but is in fact a hotch potch of Zoroastrian, Judaism, Christianity and Islam all combined. Iranians still practcie Neirouz which has nothing to do with Islam but is a Pagan Zoroastrian Ritual. And although not all Muslims are Arabs, Arabs neverthe less are an integral part of Islam as they are a part of Sermitic Chirstianity.. Iran is too trusting of its Sayanem Iranian Jews who apparently are free to travel to Israel etc....and are given
