Good Monday Morning,

May the Spirit of the Gospel and the Holy Word be Always on our Tongues, in our Hearts, Minds, and in our Hands.

Holy Virgin Mary and All Saints - Pray for us!

Index Number 1705:

—

It's been too long since my morning prayers and meditations to convey anything much beyond the review of yesterday's post (See PostScript for URLs) that I got some precious feedback about.

Such Relief was expressed – if I Understand it correctly - about my touching on the Soul and Womb calling out for New Life related to womanhood, as if there was any doubt this is Loving Correction and Warning related, as well as Apologetics – raised much worse than children raised to torture animals after buying them after (she) matures, and the Generations of mothers both actively hating-

males and removing fathers, following the clearly Venture Capital corpDragon using Golden-Calf Satanists in power through all West for so long – shaping [female] teachers to promote sexual-soul-mind Mutilation and self-hate – to name only a small aspect ..

.. Those Satanists are a festering Evil that should be so clear as to Wake anyone not clearly Demoniacally-Oppressed into functional retardedness and amoral vileness that in the 1950 would have ended such in psychological Wards and-or Jails to protect them from being beaten to death immediately (if courts were like they are today – to protect everyone else) by the first man that heard them or caught them. And expect understanding if not open praise from neighbors. Fathers and Mothers and everyone hoping to be.

—

I am feeling very [soul] Flat today, as if I have been soul-divided. My brain seems to be very sluggish also, I have made repeated mistakes while creating the Images for the composite image for this posting. Weird.

—

So my Facebook censoring extends into very late today. Oh well, I have wondered in a comment on a video below how much Howling Evil Sins are not Just for those who make such decision or empower them (like an AI) would be Right to Burn supporting.

Vermont have a horrible Abortion till [after birth?] and related other evils for vote. A Moral Crime to even ask as many will support it because they are and have been Demonically Manipulated from crib and will automatically put themselves at Risk of Judgment. To even Ask the question for Vote is clearly a Satanic Goal ploy to send many to Hell who might have only been at Risk because they were not actively opposing but silently supporting the Horrors of torturing babies to death and warping Womanhood into the Septic evil filled Nightmare too many are and becoming, destroying fatherhood and all children seeing and hearing the Deep and Ubiquitous Golden-Calf Satanic Religion pushed .. Supported in Taxes and conversations – and unthinking or warped automatic '**My Body, My Choice**'; shallow, murderous, .. and Wrong logic – on so many levels,

—

And of course in this Female-Evil Witch cntHell filled with either Male-Hate or Male-Dispose-ability and active Fatherhood destroying, the fathers are having children murdered, and souls enslaved – many by actively targeted by Witches and their minions – to enTangle their souls out of wedlock and torture-to-death there babies, enSlaving their souls., ..

.. but why your vile twisted vomit-filled womanhood not enjoy the Hell you support for us?

I would say by the Secular Standards we have been victims of in last 3+ generation, the death of every older (post menopause) women would be a reasonable response to the Demonic-evil you Horrors are poisoning us and yourself with, and give the remaining people a chance to break this Satanic Poisoning Demon. .. after all nearly everyone was fine with the sending to war and then allowing to die on streets for men, and so many other male-hating Female-Evil Horrors.

May this be a Blessing for you and us all. [And our Futures, and future Multiverse Pasts.]

After her last video and such a message, I was reWatching this video – one of her technical best - and at first I thought that her clear Passion and skill is Sexy (and considering why that would be so, in video she is too young otherwise - so it is not visual), and while watching her timed precision I thought – if she is not studying Martial Arts it would be a shame! She has the potential to be devastating with that percussion and timing.

I would suggest she stop loosing fat weight - if you had any left(!) (see recent image below) and work on muscle – set up targets in a circle around where standing, and imagine them as each drum and symbol and go through the same pattern.

‘Drumming’ but Striking instead– instead of Base Drum (if that is what it is called) do hip-kicks, and the foot activated symbol to do the rabbit forward kicks, slaps for the other non-regular pattern symbol hits (Slaps are fantastic to keep a person too upset to be effective and if you are go enough to slap instead of punch – it is a clear message of what Could Have Been and likely will become.)

Have fun. Go very slow to start.

If you are not going start a family and instead just doing easier sets showing off your new looks and smile, ..

.. you might as well work on something which might be needed .. soon .. with so many Military Age Western Society hating men everywhere in country?, ..

These guys are doing another Legal-based current event review. Always worth listening to Robert Barnes' views – so much history and great backgrounds and even long-turn national legal and otherwise history.

Very important Highlighting the Administrative State and most Federal and State courts widespread horrible courts-judges. Barnes comes in at about time: 20 minutes.

His clear pro-Zionist position and related – like implying that issues on israel's policies, Venture Capital Golden-Calf Satan Worshiping control of the West, and conflating with the Jewish religion – showed little in over-all topics covered, although.

I have to mention it seems like these guys have been Actively avoiding the Ze West explosion related to his fact that 'Jews' (Actually: Venture Capital Golden-Calf Satan Worshiping Minions & Witches) controls most of the Western Society .. I actively look for Barnes appearances and I do not recall anything about it .. but my brain is a little foggy this morning – am I wrong?

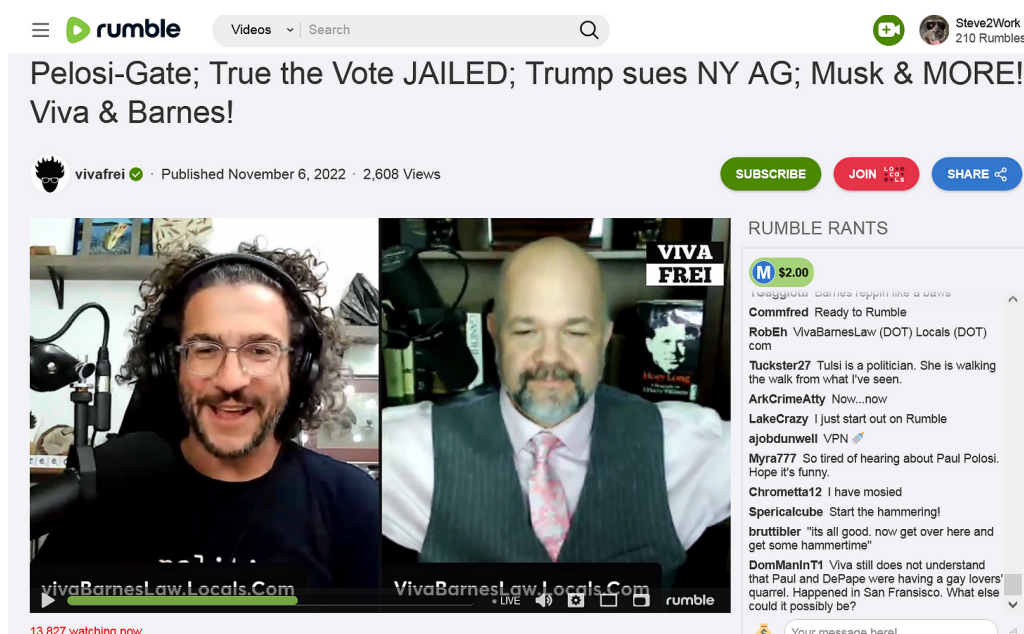

.. if not, should we all consider anyone who has avoided this topic - who normally would cover such a widespread !Splash! - they as Suspect., ..

A Catholic Warrior – May God Bless him!

Who is our Satanic Masters? If you link movie will your Bank demand full mortgage, and no others will take your home and-or other collateral for another loan to pay.

Will you or your children or anyone you care about next time in hospital will be murdered and Organs taken - after torturing them to death too 'milk' their or your brains?

Or something else – bone-sawed alive and body disappears in ocean like all those women, children, young men that their 'Epstein Island vacations' of old and they 'enjoyed.'. , ..

Racial Consciousness

@Nature_and_Race

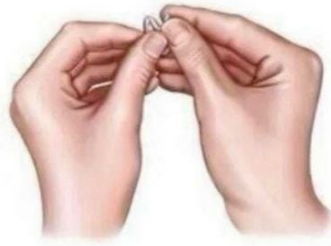

Imagine how terrifying it would be to live in an era where the world's most dangerous group of terrorists had the power to declare it illegal, on a worldwide scale, to criticize or tell the truth about them.

What a horrible nightmare that would be, right?...

Recently an ugly racist on a lefty talk show conflated white suburban women with “cockroaches.” Do I think her vile hate speech should be banned? Surprisingly I feel just the opposite. I want her heard everywhere. Why?

Because nothing destroys the hateful like their own words!

GENES, RACE AND INTELLIGENCE

The latest findings on race, genes and intelligence show that **the gap in intelligence** between Europeans and Africans is **caused partly by irreducible genetic factors**. These findings conclusively put an end to the theory that the gap is caused solely by socio-economic factors.

The following genes are present in at least **one third of the European population** and are known to **increase intelligence** with **genome-wide levels of significance**:

SNP	Distribution
rs708913 (A)	Europeans are 341% more likely to have this gene than Africans
rs1044258 (T)	Europeans are 470% more likely to have this gene than Africans
rs1487441 (A)	Europeans are 156% more likely to have this gene than Africans
rs1800668 (A)	Europeans are 59% more likely to have this gene than Africans
rs2099744 (A)	Europeans are 123% more likely to have this gene than Africans
rs2364543 (T)	Europeans are 113% more likely to have this gene than Africans
rs2899319 (A)	Europeans are 214% more likely to have this gene than Africans
rs4314918 (A)	Europeans are 337% more likely to have this gene than Africans
rs6535809 (A)	Europeans are 650% more likely to have this gene than Africans
rs6546856 (T)	Europeans are 418% more likely to have this gene than Africans
rs7963801 (T)	Europeans are 2985% more likely to have this gene than Africans
rs9388490 (T)	Europeans are 121% more likely to have this gene than Africans
rs11793831 (T)	Europeans are 350% more likely to have this gene than Africans
rs13428598 (T)	Europeans are 417% more likely to have this gene than Africans
rs17048855 (A)	Europeans are 595% more likely to have this gene than Africans

The following genes are present in at least **one third of the African population** and are known to **decrease intelligence** with **genome-wide levels of significance**:

SNP	Distribution
rs1245213 (A)	Africans are 233% more likely to have this gene than Europeans
rs1346075 (T)	Africans are 65% more likely to have this gene than Europeans
rs1972863 (A)	Africans are 126% more likely to have this gene than Europeans
rs2416114 (T)	Africans are 91% more likely to have this gene than Europeans
rs2420551 (A)	Africans are 399% more likely to have this gene than Europeans
rs4325706 (T)	Africans are 81% more likely to have this gene than Europeans
rs4640173 (A)	Africans are 118% more likely to have this gene than Europeans
rs6736129 (A)	Africans are 163% more likely to have this gene than Europeans
rs7019796 (T)	Africans are 134% more likely to have this gene than Europeans
rs8138473 (T)	Africans are 103% more likely to have this gene than Europeans
rs9755750 (A)	Africans are 162% more likely to have this gene than Europeans
rs9939991 (A)	Africans are 135% more likely to have this gene than Europeans

Key points:

- These genes are known to influence mainly the **hippocampus, brain, limbic system, central nervous system, cerebral cortex, cerebrum, parahippocampal gyrus, telencephalon, temporal lobe, brain stem, prosencephalon, rhombencephalon, occipital lobe, cerebellum, visual cortex, parietal lobe, retina, basal ganglia, neural stem cells, corpus striatum** and **frontal lobe**
- These genes alone account already for roughly **two thirds of one standard deviation** in cognitive ability.
- These genes are **at least 50% more likely** to exist in one population than in the other, can be **found in at least one third** of either population, and **positively affect Europeans** or negatively affect Africans. **More than 200 genes that meet these requirements** can be **conservatively estimated to exist**.
- The **differences between populations might be even larger** since the African sample included cohorts with European admixture.

"Forbid the Whites to mate with Whites. The White Women must cohabit with members of the dark races, the White Men with black women. Thus the White Race will disappear ... means the end of the White Man, and our most dangerous enemy will become only a memory ... and our race will rule undisputed over the world. Our superior intelligence will easily enable us to retain mastery over a World of dark peoples." ~ Nahum Rabinovich, Canadian RACIST Rabbi

"When, from Europe, if someone is criticizing Israel, we bring up the Holocaust. When, in this country (USA), people are criticizing Israel then 'they are anti-Semitic'...

VIROS AND USE THAT TO SELL MORE VACCINES!

Ernie thought killing and skinning Kermit would have fulfilled something within him, but even after wearing the still-bloody pelt as a suit, he just didn't feel the same rush he used to from depravity. Not even the sight of Bert in drag seemed to cheer him up.

Bert remains awestruck as Ernie confesses to his rampage of serial murders on the air.
