Good Monday Morning,
May the Spirit of the Gospel and the Holy Word be Always on our
Tongues, in our Hearts, Minds, and in our Hands.
Holy Virgin Mary and All Saints - Pray for us!

Index Number 1853:

In this morning's prayers and meditations I considered aspects of the
Margin concept mention recently. Related to many aspects .. male-
femaleness, Symbolic-application (Holy, Sacred, Profane) in aspects
related to Symbol_Pi to name only two of many.

The Ying-Yang symbol many are aware of and the concept of Male-
White and Female-Black with the intermixed balance as seen as within
Man – and if we consider White as True-Right-Order and Black as
Chaos-Potential-Quantumness, the Female as a Function of sorting
and discarding Chaos into Perfect Order (consider the White as
Womb and the Baby Forming as Applied Profane Perfection) and the
Male as equally concentrating Chaos-Potential until Fusion –
Creativity and Drawing from it a different form of Life, of Babies.

I was considering the Symbol_Pi in terms of percentages of Weighting
.. that each of the Trinity given a Weight of 1 - God as a Total of 3)
and the remainder 0.14159.. as the Relative Weight we must apply to
our own intuitive and direction .. at least here in this Margin, this
Carved-Out space where we are allowed mistakes of some level – to
disOrder and test, measure, .. create to Find Greater Truth, Justice,
Order .. like sometimes we must disassemble something a bit to
correct or advance .. a puzzle of similar pieces but the total picture is
not Perfect. And so in this yet unPerfected reality and soul-state we
are given the opportunity to try new things and grow.

.. we who still Suffer Ourselves in our Being. We who bring our own
Suffering from within and so can not be Fully Communed with the
Holy.

The Symbol_Pi had me considering that formula expansion I have
written about, ..

.. in calculating each new digit from the repeated pattern that
remained (the State of the beginning of each Day-of-Bread) plus the
new term created through a mechanical symbolic handled long
division of the next term and the Confidence of the actuality of a digit
requires at least 3 extra terms in the sequence having been processed
– the 3 value is not proven by me – may only be 2, but 3 is assured in
my mathematical understanding.

So, at the risk of getting Nerdy .. think of a list of the position of every
digit '1' in the sequence, with the 3 being the 0th position. Similar for
all 9 other digits. Consider the list separately – I wonder what patterns
if any turn up. I would assume this has been looked into, and likely if I
knew where to look some body of work in this would exist. Of course
if it was a relatively simple formula then any position could be known
by applying such formula, or checking which Set [list] that position
number was in.

My wondermental travels suggested the question if anyone has some
this in a different number's Base. Likely Binary has been looked into as
being the most intuitive as all computers use it, but what about
Base-3? Or check all of them .. there might be partial patterns that are
always true in each base that when used together will result in total
overlap – when converted back to Base-10 (or 2)?

I have a sense that the program Mathematica would be good for this
to someone who knows it well enough .. I was considering the
algorithm for long division in Base-3 when it occurred to me that to a
large degree such a program could already support such investigation
– especially with on-line huge pre-calculated lists of the digits in
base-10, and although I am a little fuzzy on the algorithm on how to
convert a sub-sequence into a different Base, it is likely some other
could and perhaps on reading that decide that alone was worth the
effort for pleasure .. with potential Ph.D. dissertation in consideration.

These implied and clear interesting challenges I hope to put forward
to others in these I expect to range over many subjects, fields. I see
myself as the Avatar's Avatar's Avatar that exists in Dream and
supplied the more Ordered Mind-Levels on-waking the inspiration if
not a large part of the process they can use and likely need.

It is like the widespread Western adoption of Feminism and the
Satanic other insanities and sins – I can easily think of it as the
application of my own beliefs earlier in my life in my Sleep (Death) –
although allowed to run-it-course to huge degrees more than it was
when in Check by other Values and Virtues – conscious values and
virtues that were also instilled into me by mostly my mother, but
those now Gone as many never had such – or after a number of
generations where the Rewards were so clearly Satanically-Oriented
and little or no Checks or Correction possible or even allowed by any
but similarly sickened [functionally] fatherless women and their [adult]
children

My belief is that I function as that 3rd term decimal place away from the – will be – Perfect version back a few Jacob's Ladder Levels.

.

That is probably good for now.

.

.. I went to bed a little later than usual – some good videos below I was watching - and so woke later and had to push myself a bit in my morning Prayers as I clearly have Multiverse Leaped and I am re-Orienting another Master version of me, very 'rusty' in many respects and distract-able in a poor way .. to many unOrdered versions sitting around the Round Table .. a bit better now but I will have to stay a few days, I expect to get their (our) reliable Bootstrapping in-place.

.

Oh, in yesterday's BlackPilled video about the Twitter unSubbing him – I found the same thing going on – I could not stay subbed to him. A reminder that social-media is Satanically controlled.

.

With that in mind we must remember that the 'metrics' of likes and views are also manipulated – and likely the more significant your message the more those Satanic powers what you to feel no one is viewing such, and that you eventually decide to give-up.

.

Sometimes the best part of BlackPilled's videos are the Chat Questions he answers and someone asked him how he measures success for the videos – and my feel from his answer is more like my sense is – That it NEEDs to be done, even if only one other soul benefits – and that might be only self – to grow, learn, or otherwise benefit.

.

And the healing Truth Telling and Understanding is so deep and Rationality is an antidote to Satan and the Evils of this cntHell – he mentioned as a small regard the number of watchers and if I could communicate with him I would point to what he knows is happening to him (and many others) in Twitter - and so why would he trust even the views and other metrics.

.

Remember - they Hate us and want us all tortured-to-death before born and mother's and others Burning in Hell, and when we are born to make us Suffer endlessly every moment we not falling-down-intoxicated and drive us and loved too despair, loneliness, suicide .. so why would anyone ANYONE believe anything they report? The walking unDead 5 Policemen Haunting the world from Jan 6 and the likely 5.7 Millions of unDead from WWII and israel-oriented migration and psy-op, white genocide, .., the lies and rewriting of the Civil War, the hiding of the 10+ Millions of murdered Christians in Holodomor, .. and the recent examples of the Golden-Calf Satanist controlled and warped AI s .. how much more unTruth, inJustice, disOrdering Horror that is clearly directed from the Witch that Rules this cntHell do you need?

.

About the AI .. it was clear when I was looking for possible lovers and more back years ago that AI-Bots were active on Twitter and Cregslit on-line applications, that the replies were resource and time honeytraps that existed only to prevent you from finding love and relationships.

.

.. like the AI-bots that was about all I saw in replies to my augments on Twitter – they were not real people, only auto-abuse Bots that were trying to generated similar responses from me, and-or drive me from the platform .. all this now discussion about AI use .. it has been active for a very long time, so the hype now is because – like the internet and Web in general – the Ruling Satanic Elite do not want You to have it, not Raw forms that benefit you and us all .. so all the focus and 'noise' because those in power are already using it – so they are [AGAIN] lying and mind-raping us.

.

It would be interesting to experience a world were all the women for the next few generations drop-dead (or Go AWAY) and so measure the vileness and putrid evil those worst 1/3 in power have, as well as the soul-crushing and mutilating others who have been warped and poisoned from crib into different levels of Septic Vomit, the Fungal Strangling Horrors that kill us while pretending and sometimes even believing that they 'Care' and their constant repression and testicle crushing vomit is for our and others good.

.

Of course – Go Away and not dead would be best, in fact I have proposed a number of practical ways – but my experience with such is that dead – ideally a Real pandemic that kills at (and existing) menopause with a Heat-Flash that increases and ends in death, as I am sure is widely already applied and the Multiverse. Some level of established uncorrectable evil threshold over some number of generations, or similar must be the Trigger .. God's Love and Mercy finally triggered – the Fire from the Sky to destroy the City that would have poisoned the world .. you want to Listen to God and so not drop to that Jacob's Ladder Level or practice that which is so clearly spreading of horror .. like so much of now typical womanhood behavior ...

.

Are you 'Shovel Ready'? – for the Mass Graves, instead of the often promise of economic and infrastructure & manufacturing support that phrase has been used – to then further rape-us and our futures through.

.

.. Remember all those times the lie 'Shovel Ready' was used? All those fathers and father-hopefuls thought that maybe some of those taxes and resources would be available to work for – to earn – and to repair and build again this feted fungal-covered slimy corpse, this GreatSatan evil soul-dead Zombie-Nation .. how many times? Instead getting bombs and genocide sent abroad and at LawFare horror and hate here at home with it.

.

.

May this be a Blessing to you and us all. [And all our Futures, and future Multiverse Pasts.]

From video description -
'Darcia Narvaez - Professor of Psychology Emerita at the University of Notre Dame and co-author of Restoring the Kinship Worldview'
As above so below – this principle, central to many ancient belief systems and almost forgotten in this day and age – postulates that social conflicts will inevitably find their reflection in our individual souls and vice versa, and our daily joys and struggles invariably shape the societies we live in. With that in mind and at heart, what can truly make the world a better place? To discuss this, Oksana is joined by Darcia Narvaez, Professor of Psychology Emerita at the University of Notre Dame and co-author of Restoring the Kinship Worldview.'

About the trauma in infants - I would have asked her to comment about infant genital mutilation.
