Good Tuesday Morning,  
May the Spirit of the Gospel and the Holy Word be Always on our  
Tongues, in our Hearts, Minds, and in our Hands.  
Holy Virgin Mary and All Saints - Pray for us!

Index Number 2198:

A good night sleep, no dreams I recall. During prayers and meditations some thoughts related to the recently discussed book 'The City and the Stars' discussed in Post Index Number 2180 (Archived: <https://archive.is/H74BC> .)

In the City that is self-contained and supports and controls everything unobtrusively, including which of they many people Recorded are to be 'reborn' and so many other things.

I was considering that after a person's 1000 year life when it is time to go back into the Time-Bank to someday be re-born they go through and edit what memories they want to remove – the rest will slowly emerge after 20+ years of growing-up with assigned parents, new re-born friends with no old memories, and basically enjoying life as a relative child and relearning the City and the society and ready to go whatever [new] direction of interests.

The old and ready to enter are filled with the last 1000 years plus whatever memories was continued from previous lives, ..

.. so I was wondering the City computer might have been designed to record in massive detail all the Neural Network in brain and whatever others important aspect. This is assuming the simple model that consciousness was not in-fact overlapping Multiverse Path versions working together in synchronicity, but otherwise somehow enough self-contained within one brain neural network system.

The Network could be software simulated or with the other Sci-Fi technical 'magic' could be recreated in hardware board or even chip, and connected to all older versions as well as all others and so become an expansion to the City computer.

There is a lot here for consideration and meditations, as well as perhaps insights into larger more Holy related aspects that are overlapping or suggesting.

Some things to consider and perhaps meditate on.

Saint Fulton Sheen, all Saints of the Day – Pray for us!

May this be a Blessing for you and us all. [And all our Futures, and future Multiverse Pasts.]

Our Sad Satanic directed Pope is mentioned. Pissing up a rope 2+ years late and after most of the White Christian men's Ukrainian Holodomor Part II .. F-ing hanged with connected other leaders and gone perhaps we could have a Catholic Pope not set to destroy the Church and Suck Satanic Jew-Cock!, ..

Those leaders that used these [continuous] israeli lies to withdraw humanitarian support could and should be charged with support of genocide – Starvation, Sickness, organization, breakdown of Order, .. and similar results from the removal of that support system in Gaza – and they hanged for using what is clearly as fake as beheaded babies and rape-torture, and endless lies from israel and Zionist best dead. Hanged for knowingly supporting genocide or for being too much a Satanic Tool to continue to breath .. perhaps., ..

The One-World-Gov Jew-Zionist-Satanists in power want such for us all .. so they can lie and re-write history without objection and we all can suffer inconstant pain from ignorance that we Suffer down through whatever children we are allowed to have and keep.

Trudeau burning to death as a Witch in public would be a reason for world-wide celebration, and a good example of what to do with the powerful families world-wide., ..

This follows with evidence I have not posted in a while with statistics

indication of the Talmud-Sickened type evil that is deep in Womanhood and Vagina-god Satan worshipping woman-supremacist enforced Talmud-Jew directed Western society – all brain-raping us from cribs that most old women dead would be best and women and even our own mothers are F-ing evil-poisoned baby-murdering horrors best AWAY from decent women, men, and all children .. you F-ing horrors!, ..

And related murderous womanhood and motherhood that all those Witch mothers and other vile cnts everywhere in society make sure we can't see the Witch hire baby-torturing-to-death horrors that is generally modern Western womanhood, making us all victims and unable to protect our own children and others .. tell me again about 'Femicide' and I could see your teeth kicked-in your Satanic driven horrors., ..

I have found both of these men worse then wrong when it comes to the Sickness and vileness of female focused-and-controlled society, modern Western womanhood and simple insane policies such as no fault divorce, fatherlessness pushed by State, baby-murdering as okay (breaking Rational abilities for all forced and indoctrinated such – okay to kill our babies? What the F- is not okay then cnts!) and similar.

Something to keep in mind along with those that support these tow men and keep them amplified know they will never allow the problems fixed, and these type of people unwilling to address the Putrid baby-raping-Sacrificing genocidal Jew-Elephants in the room that need to be burned to death with adults in families before any of their masturbatory intellectual ideas or points can be addressed.

Again, something to keep in mind – perhaps they have changed their tune in this conversation – I have not watch it yet. With those points in mind one should be able to get some excellent value from an interview from such men., ..
