Multiverse Journal - Index Number 1706:, November 7th, 2022, Monday Evening

November 7th, 2022

Good Monday Evening,

May the Spirit of the Gospel and the Holy Word be Always on our Tongues, in our Hearts, Minds, and in our Hands.

Holy Virgin Mary and All Saints - Pray for us!

Index Number 1706:

[I have posted this one Facebook after I woke on tis – Tuesday Morning – and reset the date to match the date and time I

would have posted this had I not fallen asleep – to Match the HeaderDate ..

Facebook Immediately Blocked it because of 'Reported 'Self Harm'

This – the following harm. No doubt it would have been the same message they gave Ye West, or anyone else they used their Witch Female-Evil Screeching 'We Care About You!' 'This is for your own Good!' .. and similar that we have been twisted and abused from Crib with – 'We are mutilating your mind-sex-soul because we love you!']

Facebook Post number 1698 was used as a excuse to silence me on this (that) site -perhaps because of the Anti-Evil writings, and to Censor all those who would have read and been considering the

upcoming Elections – many readers would only now after voting to see this.

Here is a URLs List with all the SubStack Posts – those would have been posted and read by you and the Future – perhaps your children, grandchildren, .. if they would not have been murdered by those Vagina-god Satan Venture Capital Golden-Calf baby torturing as Sacrificing to Satan using the super-Legal corpDragon with unlimited resources and Human Rights.

Well, why not consider such and other perspectives when reading;

So far pretty good interview, but only about half way.

I am waiting for Peterson to be the backward retard about the Trolls

on Web and needing to Censor or whatever – maybe he has realized a better solution was to have a mode the senders and filters for viewers to be Anonymous. If that is allowed with Trusted enforcement – unlike 'confidentiality' laws today and inJustices and above-the-law Class of baby-murdering Satanic evil .. of things like medical, financial, law-enforcement, housing, .. records or other widely spread through 'Business Partners' by corpDragon subcontractors and Administrative State Satanic Capture we have today., ..

'Poor Ye West' .. according to Lex & Ben - what Ye says is only antisemitism – even though it is true. So Ben says to unBunk it, and yet they do not. Of course – he says – the less then 2% population is much larger then 50% (80% 90%?) of the most powerful (and 99% The Most of those) and director of all the Nightmare White Genocide and depopulation anti-Life anti-Truth inJustice disOrder, but instead .. it's 'Antisemitic' – which we know is the word people with Power and there slimy retarded demonic-oppressed minion and evil-tools call people who the Venture Capital Golden-Calf Satan worshipers do not like – it's antisemitic to speak truths they
