Good Friday Morning,

May the Spirit of the Gospel and the Holy Word be Always on our Tongues, in our Hearts, Minds, and in our Hands.

Holy Virgin Mary and All Saints - Pray for us!

Yesterday I decided to break my water, (metabolic important salts), weak caffeined drinks and no solids Fast, and immediately regretted it – feeling sick within a bite or two after being so attracted to what I made to eat. I ended eating cooked-frozen solid protein chicken leg and a few veggies and whole garlic that was baked with that chicken – good opportunity to replace more simple salt, at least.

This morning I decided my insulin-desensitvity had been greatly improved over those 5 days, and yet I regretted breaking the Fast, not waiting for Sunday after Mass Pot-Luck lunch. I restarted for these two days .. and wonder if perhaps I will show-up with a tupper-ware container and grabbing a few samples for the following Sunday's Break-Fast, but although samples might be taken (for Science – of course) I will likely cave and regret again engaging my digestive system and those organs.

The sad news is that I lost access to those Dreams I mentioned yesterday morning .. it was in some kind of stupidity blindness that I realized by breaking my Fast that I Eat that pizza that her message on it, and so ...

—

Today there are a lot of videos and I have been going to be early and barely watched some of them, and those that I did – many I did not comment below – but it is already after 9 AM and I will give you a chance to use your 'Theory of Mind' skills and awareness of my over-views to speculate what [else] I may have written about them .. good practice, and perhaps a lot of such will expand your Consciousness, increase your links to the Holy Neural [Saints & Sinners] Network for greater Dimensional, and to Sit more versions of your souls around Your RoundTable.

—

Some more things to consider about and perhaps meditate on.

Saint Fulton Sheen, all Saints of the Day – Pray for us!

-

May this be a Blessing to you and us all. [And all our Futures, and future Multiverse Paths.]

The image is a YouTube video player thumbnail. It features a central illustration of a young boy with a wide, toothy smile, wearing a green and yellow striped shirt with a police badge on the chest. He is holding a spoonful of blueberries to his mouth. In front of him is a large jar of blueberries with a green label that reads "GRAS" and "GENERALLY RECOGNIZED AS SAFE". The background is a dramatic sky with orange and blue clouds. A red play button icon is overlaid on the center of the image. Below the image, the video title "But Why Are They Allowed to Do This to Our Food?" is displayed. Underneath the title, there is a channel name "Truthstream..." with a verified badge and "586K subscribers". To the right of the channel name are buttons for "Subscribed" (with a dropdown arrow), "DOWNLOAD AS:" (with a dropdown arrow), "4.3K" likes, a comment icon, "Share", "Download", and a three-dot menu icon. At the bottom left of the player, it shows "25,276 views" and "11 hours ago".

Europe is 'complicit in genocide' — Yanis Varoufakis

The former Greek finance minister called out Germany for hiding behind Holocaust guilt for refusing to label Israel's campaign in Gaza as genocide.

"How many rivers of Palestinian blood have to flow before you feel cleansed of your guilt?" he asked in a video posted on X.

"Our leaders in the West have to understand that they cannot be liberal, democratic if they support the idea of an exclusively Jewish state."

Liberal blacks don't understand the concept of Community or Nation Building....

that's why they move out of the 'hood when they get a little money and continue to complain about "white folks" while they living in their quiet, clean, safe PREDOMINANTLY WHITE neighborhood.

I say that is NOT TRUE. Chattel slavery was predominantly used by a small percentage

predominantly used by a small percentage of planters to build the agricultural empires of the American South. The VAST majority of INDUSTRY in this nation was built by PAID labors. Most of who were white and many who were treated just as bad if not worse than black slaves.

THE CHICKENS HAVE COME HOME TO ROOST FOR THE JEWS ELON.

So if you guys are not understanding what has happened in last 72 hours I'm gonna analyze it and give you my take.

Basically the Jews shit the bed or in their own nest depending on how you say it where you live.

How did they do this?

Let me explain it in depth.

Israel controls the Governments and therefore the foreign policy of every major western country globally.

This is the reason why they can oppress and brutalize their neighbors unchecked by the Media or the United Nations.

All the while living in a total Apartheid State.

They control both these organizations and restrict criticism of themselves above all else.

But this control is not enough for Israel.

They want more.

They want these Western countries brought to their knees.

So what you have been witnessing over the last decade is the method of flooding the West with migrants from 3rd World countries by George Soros on behalf of Israel.

Britain, the USA, Sweden and others are all feeling overwhelmed right now as their welfare systems crumble under the weight of uncontrolled immigration.

We in the West have watched this happen to our countries and witnessed first hand our Standards of living go down the toilet as inflation skyrockets, food becomes scarcer and Civil Infrastructure crumbles around us due to maintenance stopping.

We could do nothing because our elections are rigged and the people in power who represent us are owned either via blackmail or bribe by Israel and do as they are told.

What are they told?

LET THEM EAT CAKE.

But now we have a problem for the Jews worldwide in the West.

Gaza.

What has happened in Gaza has angered the world and exposed Israel as the brutal oppressor in the region.

There is no hiding who they are any longer.

We see them.

But guess what?

So do all the millions of illegals that flooded into our countries.

They see them too.

They've always seen them.

Now the Jews have a big big problem.

The Western countries where Jews live have always been considered a safe have for them to live.

We are after all the Civilized countries right?

The Jews feel safe and protected here living amongst us and all our Law and Order.

But as our countries are flooded with migrants our Law and Order suffers too.

It also begins to become overwhelmed.

In other words the protectors of the Jews in western countries are now becoming too busy to protect them because they are on Migrant control.

The very same migrants that are in crowds world wide baying for Jewish blood.

Baying for blood in the West.

The migrants were never flooded in to do this.

They were flooded into our countries to overwhelm, weaken and destroy us.

But now because of what Israel just did in Gaza they are saying "Well let's start with the Jews first"

It is a self own that the Jews like Benicide Shapiro did not see coming.

He lives in America not Israel because he feels safer here than there.

All the Jews in the USA and Britain and elsewhere do because they feel safer in the Western countries.

But they literally flooded their own sanctuaries with their most hated and violent enemies.

They thought these guys would come after us.

But now they are horrified to see that unlike in Israel where they have an apartheid state set up with massive walls and military to protect Jewish settlements in the West they have no such protection.

This is why they are freaking out.

This is why people are painting their doors with the Star of David.

They are being "Chosen".

Not by God this time.

By Muslims living in the West

by Muslims living in the West.

They Jews now realize there is no where to run.

Elon simply pointed this out.

He's not threatening them in any way.

He's just saying don't cry about a situation you caused yourself by flooding your own adopted countries with millions who despise you then dropping bombs of their families back in the Middle East.

What did you think would happen?

You shit the bed people of Israel.

Now sleep in it.
