Good Monday Morning,  
May the Spirit of the Gospel and the Holy Word be Always on our  
Tongues, in our Hearts, Minds, and in our Hands.  
Holy Virgin Mary and All Saints - Pray for us!

Index Number 2190:

Today I will have be away from my apartment for 4 hours as the  
Management is treating every apartment with some kind of biological  
toxin for bed-bugs. I am not happy to be force to go and sit for 4  
hours away from computer and internet to do my work – especially  
when I have not had any kind of significant bed-bug issue, who  
knows what kind of testicle-shrinking endocrine disrupting long-term  
cancerous toxic shit I have to live and sleep in .. also in a week they  
will do it again.

I will be able to listen to my computer audio through the wall to the  
common room that I share a wall, so I figure I will place some audio-  
books along with any videos I was unable to listen to yet, as well as  
afternoon prayer sheets – the important thing will be to get them to  
come in afternoon as most of my publication and at least part of the  
other tasks. It would be hard to listen to any excuse why they can not  
come back, especially with all the apartments I am not sure how they  
could finish building in one day – but perhaps they are only doing  
half or such.

I'm trying to get as far advance through what I can before bed .. but  
will not be able to grab video to load into DropBox until tomorrow  
morning for Viva-Barnes and Matt & Blonde Show – I hope to be  
asleep by the time Matt & Blonde Show even starts so I can be up at  
some ridiculous time to do prayers & meditation to get an earlier  
start.

This morning I woke very early when my Fever broke and then had a  
bunch of hours a regular (non-Vivid) dreams – although there were  
pretty clear, the last being most weird as I was visiting and old  
apartment-house I used to live at (perhaps as a young man in the  
Dream Job research lab that turned vile and evil with the Coven that  
once they got me to sign permission to use my brain on death, then  
they worked to drive me to suicide so I would be Damned and they  
could torture endlessly), at the house was a woman I knew from  
somewhere – as if an old lover the was erased from my memory –  
Edith, the woman I gave my Virginitly too who was the Witch of  
George School (my Quaker Boarding school) that a few Jacob's ladder  
Levels down she used a neck armllet to Capture my soul during Holy  
Human Sexual Orgasm's Call to the Father and Trinity – stealing my  
Holy IPAddress from which she could steal and control any Grace sent  
to me – anyway in fount of the house was a giant Gay-Parade led by a  
Witch dressed as the Witches in what was once consider mythology ..

.. and most likely were warning of old Jewish baby-eating women and  
murderers – heck some 60+ Westerners are so baby-murdering mind-  
broken that a man could kill some random 100 in public and only be  
concerned that less them half were probably only baby-raping twisted  
child-mutilating F-ing better-dead (it can be argued and should be  
discussed openly) with maybe less then 10% of women a shame and  
unJust to kill, and likely double or more of men.

Things to consider.

Saint Fulton Sheen, all Saints of the Day – Pray for us!

May this be a Blessing to you and us all. [And all our Futures, and  
future Multiverse Pasts.]

A very very good short video .. he does not say it but I would hope it  
could become standard conversation about the Justice of killing all  
those with power who would interfere with our Freedom-To-Hear,  
them and to make a point for a half a year all adults in their family  
and all the families they are socially or business related.

Holy Human Dignity – the day we make it normal to beat to death  
those that are not care disrespecting us or other – when everyone in  
ear shot pours fuel-oil and set them on fire in public knowing one less  
evil F-ing mind-raping Curse on us by their Satanic mother and others  
– one less cnt will not be a problem for us or our children, nation or  
world. Not that that is ideal – but since Jews and Zionist and Satanic  
minions have destroyed our courts and every place where baby-  
killing and father-children separated the courts all killed Western-  
Wide would be a good subject that should be world wide – as  
Stoning to death False-Witnessers, and other who would with vagina  
and Jews connected will destroy your life and family and others with  
immunity.

God Demands Love and not Death but a few of these mind-raping  
Jews and minions of Witches' families burned alive in Public would  
start to clear things up .. and talking about it openly at work, at gas-  
station, in food-shopping, in banks and other places where those who  
Hate us and want us and our possessions suffering in endless pain

These Leftie Jew Open-boarder nation destroying F-ing horrors have another good interview.
