My relative is still visiting. Today he will be moving into a place that is fairly close-by – a little over an hour away by car - which will add a different dimension to my life – no doubt.

And I will be able to get back to my regular and wondrous morning prayers and meditations which has been full of so much Holy Profit for me – and I hope to you also and to Many.

We had a great meal last night – he likes a good salad and I like steamed veggies – and fried mushrooms (which is an excuse to eat) beef steak .. little carbs and a meal of the type I used to partake of regularly – if with a little less abundance and fellowship.

—

Praise God!

***May this be a Blessing to you and us all. [And all our Futures, and future Multiverse Pasts.]***

The Raping and Destruction of the Church is no longer being done by Outside forces – like done in the French Revolution and so often .. now done from withing under Pope Francis The Destroyer?

Perhaps this video will have some information., ..

.. After 3+ Generation of Baby-Murdering and male-disposing and family destroying through Lust, Grasping, birth-control, .. Vagina-god Satan Venture Capital Golden-Calf Worshiping and Hyper-empowering Institutions and Gov throughout West – they destroying themselves and decent people around them they are general to be considered Poison Vomit to us all, and any group of women in organization should be handled as all like the Worst Vomiting Screeching Evil Cnt in it, because in general the female is nearly incapable of standing against Satan and her Witches when formed into the too often feted vile Cnt-Mind of Horror we all have to deal with whenever we run into them and there Feminist warped Dog-males (I know having been twisted by the Howling Demonic evil that is part of Satan, and Her enslaved minions, often unable to express or communicate – seemingly ignorant - of the horror they are suffering by the Soul Enslavement that She uses.)

The earlier we can remove children to decent guardianship away from the [functionally] fatherless family, and away from the Satanic and delusional-psycho Cnts (women and trained Dog-males) and into National Service and training – world-wide traveling and service-exchanges – and away from our Toxic vile older women and mothers – the better they and all the West and World would be.

Unfortunately I discovered that I have been blocked on all his channels on different platforms where I put the '*This Video referenced here ..*' with the URLs for the SubStack and other locations I publish on.

It is hard to understand it .. sad. Someone making so much sense yet has made an effort that those who were reading comments to never see my work, input, and other videos that sometimes are connected to the topics he mentions. Is he the kind of Cnt that would make sure you never hear something that might change your life – go out of his way to do it – perhaps because he disagree with one of the points I have argued.

.. Imagine the day when such people are clearly labeled and treated socially like you should anyone so brian-F-ed as to feel they can and should interfere with what you see and hear. Wonder what kind of upbringing such a person had – was his mother the same kind of vomit-souled F-ing Witches that raised so many of those F-ing Nightmares all around us. Generations of Liberty destroying howling vile cnts, turning more feted and putrid each generation .. the poor boyhood he must have had.

But perhaps he never bothered to even look at the URL and only pissed himself that a comment was something different then expected. I can not be sure – I hope it is the later, just someone who would judge something as bad because it does not fit his tiny mind. Assumed SPAM because why not interfere with what might

be something significant because it is different?, ..

.. Like the Duran might have done and then changed their mind – unblocking my comments, I will post a few more of his work and see if it perhaps he bothers to consider the disadvantages to Shunning someone .. of the advantages to mutual support.

Weird, I would have though the would have made a good neighbor – like so many of the UK men I include here in these. I will assume no directed Hate or evil - because after a life time of actively support people (women and co-working men) and finding out too many were back-stabbing vile F-ing horrors that were clearly a Curse on themselves and everyone near them ..

.. I pretty much decided that Dante Alighieri had a point that Treachery is likely worst Sin and deserving of the Deepest Pit in Hell – but by the Mercy and Grace of God. And so if God Sent a Real Pandemic that selected the Worst 3+ Billions of the F-ing horrors, the rest of us could have a Future with Love, Joy, Truth, Justice, Order, ... and I sure would like to imagine him as someone living in that Future.

The jews are 1.8% of the general population but over 80% of the Biden regime.

Islam is the greatest evil! It's destroying all of our western values! Free markets, sexual liberty, women's and LGBTQXYZ rights, and democracy itself!

If you think Islam is our problem and once all the Moslems are gone everything will be fine, ask yourself this:

Did Moslems propagate **tolerance** and **multiculturalism**?

Did Moslems push **feminism** which destroyed our families, divided us and made us weak?

Did Moslems use their media empires to push **anti-White** narratives and **White guilt** propaganda?

Do Moslems constantly push for **hate-speech laws** to silence dissent with the non-White invasion of our countries?

Do Moslems own our **banks** and thus control our **politicians**?

Did Moslems **open our borders and let themselves in**?

It's a different semitic tribe living among us that is plotting our destruction.

They're losing control of their golems and the anti-White narrative.

This is desperate.

Bring on the tears of unfathomable sadness.

Let's just remember though:

White supremacist antisemitism by major public figures happens all the time and is generally ignored.

Remember who holds power in this country, friends.
