Good Friday Morning,

May the Spirit of the Gospel and the Holy Word be Always on our Tongues, in our Hearts, Minds, and Hands.

Holy Virgin Mary and All Saints - Pray for us!

Index Number 1666:

—

This morning I had to make sure to send a Birthday Card to my Mom - and having a history of thinking I need to do something while praying and meditating and having That fad with the rest - did it First. First things First. And so am [pleasantly] 'away' from the Sifting all our Infinite Quantum Mind, and started to get back to some of the videos below.

So, I will likely go right into doing the comments. A few very good parts of videos below – Steve and Jonathan's stand out so far – and Peterson's is good so far, 'That Guy ..' s seems okay, but did not get far enough to find something significant enough to note, if such exists.

Little on the 'news' and I hope by now you are Understanding that such is mostly Satanic Manipulation – Casting Shadows and Scary Puppets to overlay what very little actual information that you might know independently .. a good example is the constant suggesting that Inflation has to do with the few hundreds of Billions spent by Congress verses the Trillions of Dollars every week the Federal Reserve is Pouring into the Zombie Banks and Investment Groups .. but – like the video about the Sexual Inappropriateness of women in the workplace, such earlier postings have no doubt been 'erased' the your Oppressing Demon's mother's voice to allow for an unTrue Shadow for you to Till-At wastefully - and people to unJustly Abuse.

You remember the article about those many many Trillions of dollars every week since the Reporting Law changed back in .. 2009, when they gave the equivalent of \$50,000 for every man, woman, and child to the Investment Machines of the evil-Zionist Witches and minions, when they could have given it to us (with requirement to pay all legal debts before investing in Market, or local businesses – or put in savings to live off while looking for a job they not screeching at you and crushing your testicles – while keeping you and family Usury-Debt and Medical-Insurgence EnSlaved?

That clear solution that would have Fixed most of the problems and re-Booted the Economy and middle class .. that the Demon Oppression made it impossible for you to think about, act on, or even remember?

“Say it ain't so Joe! Say it ain't so!”

Wonder again with me why so much shadow-banning, AI manipulation, and removal from sites are needed when you are so clearly mentally EnSlaved already?

—

See what a birthday card [obligation and] distraction can do at the Best time?

(I will see if I can find that article about the Billions per week, and perhaps some others to help remind you how Demonic you and so many of us are enSlaved, and perhaps suggest that a very very small part of a very small minority of a Tribe have That much power.

.. and like with the Female that benefits off the inJustices, unTruths, and disOrdering – a smaller minority of that tribe does not actively or passively support such .. even though to them they are simply 'non-family' sacrifices .. like the ones were in early part of 20th century when they were trying to drive that group in physical and politically to create what is the Murdering, Thieving, Fascist Wolf-State (disguised under the Good name of Jesus Christ's Holy Church) Israel – AND ..

And like the Investment Machines, and corpDragons which are used by so many others – they are Tools and Puppets for Satan to Attack and enSlave our souls and our realities. .. but you go ahead and not remember all that, ..

Again!

Burn your hands on the Hot Stove, again?

—

May this be a Blessing to you and us all. [And all our Futures, and future Multiverse Pasts.]

Great video – more on Demonic Oppression's anti-Logos (anti-Reason) effects. Why so many exceptions – all leading towards a clear direction – anti-God and laying the ground-work for acceptance or [passive] support for their Vagina-god Satan.

I disagree with him about significant Proof. There is enough to seriously argue such – on terms as is argued about 'The Big Bang'

I will include a reference post after video that will contain some, and I will also one with the arguments on Intelligent Design are very much worth considering – as outlined well by Stephen C. Meyer.

.. also, ask yourself why your Demonic mother's-voice told you to dismiss at the phrase 'Intelligent Design', and don't you think it is time you Grow-up and start Cutting Her Throat .. yourself?

Here are those posts with videos and other information worth reviewing (Again!)

Unfortunately the Quantum Eraser requires more than a Fan-of-Science level abilities, but it is strange enough and discussed well enough in the Simulation Theory video to give even those with limited science understanding reason to 'pause-for-thought'.

Some very good question and some answers in video.

My criticism first (Time: 15:05) – he seems to become deRailed about the Menstruation question and immediately connects to an argument For abortion – which is a very good Jump in anticipation of what might follow – but I think the actual question was worth a lot more reflection, the woman's possible view of the 'inside' being 'outside' .. and applies not only to the physical, but I can reference my point of the monthly diving into the Ocean of Holy Firmament, Holy Chaos, Fat of God to Sift Through that is needed for Conception (including as referenced yesterday's post – see PostScript – about diving into Jacob's Ladder and the Suffering that might be needed to turn the Profane Lamb into a Virgin) ..

.. and might be argued – Well I think – that the Inside of a fertile Woman IS the Outside, that all of Reality is Female and Satan.exe (Holy Simulation and Holy Incubator – needed after the Garden Premature Abortion – the Collapse of the Quantum needed in forming a Holy Adam) is Female.

(I was hoping a list of questions with time would be posted in video comments or description by now, I may have to review to find that other point I wanted to make ..)

I did remember – while listening around (Time: 28:10) – the point about the English and Latin Mass and I was very happy he mentions that the 'New Mass' is a bastardized version of the Sacred Traditional - a testicle cut version - turning it into some Partial Parody from which Jesus Must Struggle to Transform into, and to make the further steps needed before actual babies are Sacrificed in it (my point) ..

.. and NOT SIMPLY the English version (or whatever local language) that the evil-Zionist Puppets Warped it into under the excuse of 'antisemitism' and other lying vomit excuse .. as a person I often include in my posts ask – 'Is it antisemitic to criticize Jews? If so then is Jesus and Saint Paul antisemitic?'

And so we can be reminded and see again on how (by 1960) the Vatican was a Tool of Satan through the evil-Zionists enSlaved minions within.

That said I still sometimes celibate the Canadian version on-line .. it is effective as the situation would allow for me – and I get the added benefit of once in a while noticing how the Canadian version of the Scriptures are so warped and twisted – and with Credit to Vatican – unapproved translation .. 'being Fishers of Men' turning into '**Fisher-People**' with the Satanist PM Demon-voice screeching '*we say PeopleKind instead of ManKind!!*' while masturbating.

.. I am distracted in that it reminds me how warped and Statically twisted the Catholic Church can become if and without an Inquisition College, or even a non-Satanic Pope(s) in charge.

I DO like – and support - that the Mass can be offered in the local language, as a kind of 'stepping stone', to reflect Jesus' Ministry of going out into the world and converting us in our language at time, but then I would suggest that we have a 3rd version that is in Hebrew and Latin (perhaps) that is The Father centered – the Messianic Jewish 'next step' and live 'Life with God' as many of the Orthodox do – Jews, Islam, and Christians .. God in every aspects of our days .. washing hands, food choices, ... In a Constant Invite and Affirmation of God.

I am listing while editing this post and found at least one very interesting new concept – from guest.

Wow, interesting suggestion about Eve talking to Snake [(29:00)]

The Talking Snake], although I think Both Adam & Eve can talk to all the animals (Animals being Lower Nature of Soul) and Adam is not able to be Threaten by any because they are all direct deGenerations of him – as Eve is – where Eve is Lacking Something - the missing is needed for Procreation, but her Guard is not complete.

I got into question 4 on my listening so far – a lot of review (or should be unsurprising) and likely something following will be interesting enough, and for many women this might be a perspective that you would not normally get – although I do not unqualifyingly support the arguments .. or even tone – sex outside of marriage is not Just and Right – and that said., ..
